

GENESIS : Chapter 41-50

God-focused people produce much fruit for time and eternity. God-focused people produce much fruit for time and eternity, and you saw the outline. Joseph demonstrated God's wisdom to interpret the two dreams of Pharaoh. We have the indwelling Holy Spirit who interprets God's Word to us and allows us to make it personal to us.

God-focused people prosper in exaltation as well as in humiliation. In what way are you glorifying God as you handle the successes that He gives you? Joseph's brothers were aware of their sin and the selfishness of their attitudes and they demonstrated family unity. But God has given Joseph fruitfulness in his own personal exaltation, in bringing his brothers to peace with God and to himself, and also in reconciling this family and having a united family before his eyes. God-focused people produced much fruit for time and for eternity.

Their past jealous / hatred actions towards Joseph were by divine appointment to preserve for them a remnant. God-focused people are able to accomplish His purposes even through personal difficulty. God gives the opportunity to become a peacemaker within two factions in your school. Will you make use of this opportunity to be a peace maker? God-focused people have the joy of being God's agents of reconciliation. Jacob made use of God given opportunities and demonstrated faithfulness in blessing his children and grand children. Jacob's family was reunited. Joseph and Jacob died in Egypt. Faith in Jesus Christ removes the sting of death. Joseph through his gracious forgiveness of his brothers, established that human evil is to be repaid with forgiveness and kindness. We reject Christ many ways —unwilling to accept His promises and forgiveness, even though He loves us as if we never sinned!! Will you accept Christ and His ways today so that you may enjoy the love of Christ?
