The first area selected for distribution of “Dry rations” was at Lingarajapuram which has a large number of needy people, who have been hit hard by the lockdown.

Divya Shanthi Church – Premises.
Lingarajapuram, Bangalore.

Thanks to **Rev. Christopher Samuel** for providing a convenient and a safe place along with necessary infrastructure like tables, chairs, and benches. The volunteers were also served with refreshments to keep up their energy levels!

Many THANKS to **Mr. Victor Tannen** who had already identified the needy persons and some of them had already assembled there by the time we reached there at about 10.30 a.m.

A total of 100 bags of “Dry ration” were distributed and each bag contained the following:

Particulars	Kgs	Particulars	Kgs	Particulars	Kgs
Rice	5	Oil	1	Tea	0.5
Atta	2	Dhal	1	Sugar	1
Rava	1	Salt	1	Soaps	2

There were quite a few needy people who were waiting outside the gate and since we ran out of stock, regretfully, we had to turn them away.

The next area for distribution will in the place where the Community Care Committee of St. Mark’s Cathedral runs the clinic and hopefully, the operations will be carried out during this week.
