

St. Mark's Cathedral

OPERATION

ROUND - 8

GOOD SAMARITAN

The Eighth round of the operation
Good Samaritan alongwith the **Youth of St.Mark's Cathedral**.

The first stop on 16 May was at Rainbow Home, a home for less privileged girls run by Bosco It is situated in Wilson Garden. This was recommended by **Mr. Tarun Paul**, youth member, to the **outreach team of the YOUTH**.

Due to a previously fixed meeting, Padre could not accompany. The representation was good with 9 youth members, led by PC member **Mr. Kevin Simon**. At the home, we started with prayers by **Mr. Kevin Simon** and **Mr. Robinson Doss**. Then we were pleasantly surprised when the girls sang a welcome song for us. We also sang a few songs.

The youth had arranged for some toiletries for the girls purchased out of the budget allocation for youth activities of the church. These were handed over to the Superintendent. The Good Samaritans also handed over 17 packets of dry rations to the home. It was touching to see the gratitude on the faces of the girls.

*Youth Members who were present alongwith **Kevin Simon** were*

- **Hannah Divyanka Doss**
- **Sanjith Immanuel**
- **Rinitha Jagadish**
- **Jessica Rao**
- **Sherene Rao**
- **Sushanth Joshua**
- **Moses Jayakumar**
- **Mary Celina Ponnaiya**

On behalf of our Padre & Operation Good Samaritan, Mr. David Pichamuthu handed over the first “Dry ration” to the home.

The next stop was near the Aduгоди Police Station. Here, as per the arrangements made by **Lt. Col.**

Matthew, some persons from the North East who couldn't collect their rations during our earlier visit had gathered.

The rations were handed over to 13 boys and girls. With this, the total number of such boys and girls who were supplied rations by us rose to 68.

Thanks to
Lt. Col George
And
Mr. Kevin Simon
for their active
participation and
coordination.

Our journey continues and we are strengthened by the prayers and wishes of all of you.

We quote below the comments received from a former Presbyter-in-Charge of our Cathedral:

"Happy to see the continuing witnessing programme of the Cathedral. Now we have realized where our witnessing has to be. Where Jesus is calling us to be, where Jesus is calling us to share our love and care. This programme should become a continuing programme of our church and should not end with the lifting of the lockdown."
